

The Ranch Hand

Annual Memorial Edition
Volume 37, Number 1 ~ Winter 2017-2018

"Providing a safe home for youth who have experienced physical or emotional trauma, where every act is done with love to help them discover the dignity of the human person and learn the skills to manage life's challenges."

Bring on the New Year!

As we wrap up 2017, on behalf of staff, residents and the Board of Directors, I want to thank you for your ongoing support. The financial aid and in-kind contributions you continually provide make it possible for HOTR to provide the highest standard of care.

Meeting the needs of 40 traumatized youth requires the application of a wide range of treatment modalities, which include the use of traditional, individual and family therapy, as well as a broad array of non-traditional,"bottom up", experientially-based therapies (canine, equine and adventure therapy groups). Your donations allow us to stay abreast of, and incorporate, cutting edge interventions. One such example, is the recent addition of an equine horse packing therapy group, where elements of adventure therapy are intertwined with equine therapy activities. Participation in this program provide youth an opportunity to develop a bonded, mutually satisfying relationship with an equine partner, which relies upon interpersonal rhythm, visceral awareness and vocal and facial communication, all of which help traumatized youth reorganize their perception of danger and increase their capacity to manage relationships. It is within the context of this relationally-driven intervention that recalibration of the autonomic nervous system occurs and gives rise to neurological re-wiring of secondary and primary process emotions. Venturing into the backcountry with an equine teammate provides the catalyst for building connections to oneself, others and the great outdoors.

As a non-profit organization, your donations play a pivotal role in our ability to constantly enhance our clinical services. We are blessed by your generosity, which has touched the lives of so many children. We hope you will continue to support us as we strive for excellence in helping the traumatized youth in our care grow and prosper.

Thank you for keeping us in your prayers and hearts.

Warmly,
Dr. Mel Rose, PsyD
