

The Ranch Hand

Annual Memorial Edition
Volume 40, Number 1 ~ Winter 2020-2021

"Providing a safe home for youth who have experienced physical or emotional trauma, where every act is done with love to help them discover the dignity of the human person and learn the skills to manage life's challenges."

Congratulations HOTR Graduates!

In December 2020, Home On The Range received approval for a private GED testing site for HOTR residents. Since then, many of the residents have taken advantage of the testing. As of the end of the school semester, 3 boys and 3 girls took the required tests, passed, and graduated! Home On The Range and the Beach School District worked together to host two graduation ceremonies - one for the girls and one for the boys. The graduates donned their caps and gowns, walked to the traditional Pomp and Circumstance music, and received their GED certificates. After the ceremonies, the graduates enjoyed cake and punch with their peers and staff.

This is quite an accomplishment for these residents. Some residents can now seriously think about applying to college or a trade school. One young lady has already completed her FAFSA application and is applying to attend college. The graduations inspired other residents to work harder in school or towards their own GED.

"This is a wonderful opportunity for our residents," stated Mel Rose, Executive Director. "They can study or take practice tests at any time during the on-campus school periods, and then schedule to take the actual test at a time and date that works best for them. Seeing the residents in their caps and gowns with their certificates is amazing, and you can see the pride and achievement on their faces!"

Congratulations!

August 7 - 65th Annual Champions Ride Saddle Bronc Match Rodeo in NEW Arena!

Rodeo Arena Update

A tremendous amount of work has been done with the rodeo arena since last August. All the bucking chutes, pens and fences have been torn down. The ground work was staked out and leveled off. The rodeo committee has been meeting frequently to finalize the new design and plans. The new bucking chutes have been ordered and should be delivered this winter. With this year's mild winter, the committee hopes all necessary anchor posts can be set. Then the panels can be put up, as well as all the new holding pens and alleyways. All the panels, pens and gates are made out of 3/4" pipe and sucker rod. This makes for a stronger and long-lasting arena. The anticipated completion date is Spring 2021. Everyone is excited to see the new arena and can't wait for the 65th Champions Ride on August 7, 2021!

If you would like to sponsor a piece of history of this state-of-the-art arena, contact Home On The Range.
