HOTR understands that there are critical items we are urged to take with the resident when we evacuate. These may include:

- A copy of this form for each resident.
- Resident's information (e.g. prescriptions, recent medical reports, physicians name and contact information, immunization history.)

HOTR understands that in the event that we must evacuate the facility, we are required to report each resident's location to their legal custodian, licensing agent or the NDDHS. HOTR requests that if any of the information included in this plan changes, we be updated by the legal custodian within 14 days of the change.
