Across the State of North Dakota, Knights of Columbus councils are gearing up for the annual Shamrock Project. The Shamrock Project began in 1956 with the sale of green Shamrock lapel pins. It originated with the Lakota Council #6007 in 1956, and was spearheaded by Jim Fahey. He oversaw the project for many years. The Shamrock Project was officially adopted as a state project in 1963 to help the children at Home On The Range.

The North Dakota Knights of Columbus have been working on this project ever since. The little green lapel pins have raised a whole lot of big green - more than \$500,000! The Knights donate their proceeds from the Shamrock pins, pancake breakfasts, caramel roll sales, and other fundraisers to Home On The Range.

Because of the partnership between the Knights and HOTR, life is better for many teenagers and their families. The funds received from the Shamrock project help support the spirituality component of the program at Home On The Range. Additional funding comes in the form of donations from individuals and other organizations.

Although Home On The Range is incorporated under the auspices of the Bismarck Catholic Diocese, it does not receive any financial support from the Diocese. This was an agreement between Bishop Ryan and Father Cassedy when Home On The Range was incorporated. However, HOTR receives leadership and guidance from Most Reverend Bishop Kagan, who serves as the Board of Directors President, Monsignor Gene Lindemann, the Vice President, Rev. Nicholas Vetter and eighteen other board members.

This St. Patrick's Day, if you are approached by a Knight to purchase a Shamrock pin or donate to their fundraiser, please consider the good things your donation will accomplish - helping abused, neglected and traumatized boys and girls and giving them hope for a better life.

Thank you to all of our friends, organizations, and businesses that supported the 2024 Giving Hearts Day for Home On The Range! We are amazed by the generosity and kindness!. This year we raised \$40,275.00! These gifts will be used for programming and services to help our youth who have experienced exploitation or other traumatic events. Our therapy groups and staff help the children by teaching them new life and coping skills, how to form positive and safe relationships, and demonstrate how to feel worthy of life. More importantly, we are giving our children healing, hope and happiness. Mark you calendars for next year's Giving Hearts Day - Thursday, February 6, 2025.
